TESOL Certificate

The TESOL certificate can be issued by all authorized institutions of TESOL, Inc. Acknowledged globally as ESL (English as a Second language) teacher qualification, its academic level stands for international criterion of English teaching skill.

The validity and authority of TESOL is recognized all over the world. Being an expert in the field of English language training with TESOL is equal to be qualified to carry out ESL teaching across the world. TESOL teachers are widely welcomed in English Language Training section and can get direct access into international market, with huge employment prospect.

American TESOL Institute

American TESOL Institute was established in 2004 with the mission to standardize an English teacher training and job placement program for individuals wishing to teach English abroad.

American TESOL Institute dedicated instructors have extensive experience in TESOL, ESL certification, teaching English abroad, online and In-class TESOL, TEFL, ESL certification. ATI members teaching English overseas to speakers of other languages, ensure a solid foundation for

ESL programs and schools. Applying modern teaching methods and the most effective textbooks, our TESOL-TEFL teachers can be trained to meet specific program requirements.

American TESOL Accreditation

American TESOL Institute is approved by the Florida Department of Veterans Affairs to offer test for licensing and certification needed to enter, maintain or advanced into employment in a civilian vocation or profession under Title 38 of the U.S.C., and Chapter 1606 of Title 10 U.S.C.

American TESOL Institute is approved by the Georgia Department of Education Office of Professional Learning.

TESOL Courses

1. American TESOL In-class Hybrid

American TESOL in-class programs are held nationwide. TESOL hybrid programs offer a combination of in-class study plus TESOL online training.

2. American TESOL Expert Certifications

American TESOL expert program is three American TESOL courses combined, Advanced TESOL, plus TESOL for Children, and TESOL for Business. Methodologies of TESOL are explored, with focus on building the style of teaching that best suits your personality.

Advanced TESOL + TESOL for Children + TESOL for Business

3. American TESOL Foundation for Children Certifications

American TESOL foundation online certification programs give you a general guide for teaching English to all age levels with a focus on either teaching children, or teaching business English. Methodologies of TESOL are explored, with focus on building the style of teaching that best suits your personality.

Advanced TESOL + TESOL for Children Certifications

4. American TESOL Foundation for Business Certifications

American TESOL foundation online certification programs give you a general guide for teaching

English to all age levels with a focus on either teaching children, or teaching business English. Methodologies of TESOL are explored, with focus on building the style of teaching that best suits your personality.

Advanced TESOL + TESOL for Business Certifications

5. American TESOL Advanced Certification

American TESOL Advanced online certification course gives you a general guide to the theoretical approaches of TESOL. Methodologies of TESOL are explored, with focus on building the style of teaching that best suits your personality.

Advanced TESOL is the ATI Standardized Online TESOL Certification

6. American TESOL for Children Certification

American TESOL for children online course focuses on teaching methods for age groups two through seventeen, and the different developmental stages of children. Instructors focus on a variety of TESOL methodologies, classroom disciplinary methods, and which combination of methods work best in TESOL classrooms. This course can be taken separately, or in conjunction with Advanced TESOL certification.

TESOL for Children Certification
